Mr. Norman Haslem 2041 South 2000 East Vernal, Utah 84078

Dear Mr. Haslem:

Our records show that you have a notice on file with this office. The notice number is UTU66354. Please refer to this number in any future correspondence.

New Surface Management regulations at 43 CFR 3809 regarding notices were effective January 20, 2001. Under the final rule existing notices expire in 2 years, on January 20, 2003. Since you have conducted recontouring and seeding of your project area, there is no particular action you need to take with regards to the new surface management regulations. You need to periodically monitor the project area for stability and growth of desirable vegetation, and, initiate any necessary actions to correct deficiencies. The notice will be closed when reclamation to the satisfaction of this office. You are welcome to contact us if you have questions about the status of reclamation or wish to conduct a joint on-site when you feel the area is sufficiently reclaimed.

If you have any questions regarding your notice on file with this office, please call Peter Sokolosky at (435) 781-4501.

Sincerely,

David E. Howell Field Manager
